

# Mothercraft Waterbridge Program

Before and after school child care for children from Kindergarten to age 12

Mothercraft Ottawa is pleased to offer the Extended Day Program at Farley Mowat Public School.

The Mothercraft Waterbridge Program is licensed by the Ministry of Education and is regulated by the Child Care and Early Years Act. The program is delivered by teams of Registered Early Childhood Educators and follows Ministry regulated staff-to-child ratios. Our kindergarten staff-to-child ratio is 1:13 and our school age staff-to-child ratio is 1:15. Our educators implement a play-based program using the ELECT (Early Learning for Every Child Today) framework and guidelines for early childhood best practices. We make use of shared spaces and resources within Farley Mowat Public School, creating a seamless day for the children.
