Hours of Operation and Contact Information:

The Mothercraft Elmdale Program operates Mon-Fri, 7:30am - 6:00pm, throughout the entire year except for statutory holidays. Details about our program may be found by visiting our website at www.mothercraft.com or by calling the Mothercraft Elmdale Program at **613-798-2273**. We may also be reached by email at elmdale@mothercraft.com.

Subsidy Information:

The City of Ottawa offers child care fee subsidies to help eligible families with the cost of all or a portion of their child care expenses for children from ages 0 to 12. Parents may consult the City of Ottawa's "Child Care Fee Subsidy Calculator" at ottawa.ca/childcare to see whether or not they qualify for a child care fee subsidy. Applications for subsidies are made within The City of Ottawa's Child Care Registry & Waitlist; as well, please provide us with this completed Mothercraft Elmdale application. Parents will be contacted by The City of Ottawa if/when a subsidy is authorized.

Please let us know which circumstance applies to your current situation:

- I am currently receiving a City of Ottawa Child Care Fee Subsidy
- I will be applying for a City of Ottawa Child Care Fee Subsidy
- I will be responsible for the full cost of my child's participation in the Elmdale Kindergarten and School Age Program.

Additional information: *In the space below (or separate attachment) please identify any dietary, physical, developmental, or behavioural needs/concerns for your child which may require additional attention or support:*

Signature of Applicant: _____

Date: _____

Please return this completed application to the Elmdale school office or by email to: elmdale@mothercraft.com

Please note that this is an application form only.

A Mothercraft representative will contact you in the late spring to set up your child's full registration into the Mothercraft program.

***If you are interested in potential summer care with us, please make note on this form or contact us via email, and we will contact you once summer space availability is determined.*
